The Presidents of the United States Curriculum Guide

Materials Needed:

Timeline Scroll
Presidents of the U.S. Card Set
Reference book(s) on U.S. Presidents
(The New Big Book of Presidents by Todd Davis & Mark Frey)

Prerequisite(s):

Students should have good understanding of the concept of time and time notation. Ideally, students should be familiar with the BC/AD timeline presentation.

Presentation 1:

1. Unroll the timeline scroll.
2. Separate the cards into 4 piles- President Portrait Cards, Biographical Sketch Cards, Term Cards, and the Time Division Cards.
3. Starting at the first long tick mark, place the red Time Division card, 1770, and continue placing cards alternately above and below the timeline at each consecutive long tick mark ending with the Time Division card, 2000.
4. Using reference material (book, internet, enclosed chart, etc.), place the Presidential Portrait Cards and corresponding Term Cards on the timeline in order. Use the smaller tick marks to approximate where the Term Cards should be located. Please note: It is useful to alternate below and or above the horizontal line so as to provide enough room for all of the President cards.
5. After completing all U.S. Presidents, gather cards, roll up the scroll, and return to the shelf.

Presentation 2:

1. Repeat steps 1 through 4 of Presentation 1.
2. Have students choose a Biographical Sketch Card, read it, and place with the correct Presidential Portrait Card.

3. After completing all the U.S. Presidents, gather cards, roll up the scroll, and return to the shelf.

Extensions:

1. Use the President Portrait Cards and Biographical Sketch Cards as a “Who Am I” game. Lay out all the Presidential Portrait Cards randomly. Have students read the bios and try to match them with the correct U.S. President. Answers should be checked using an appropriate reference (Time Frame’s U.S. President Chart is provided).

2. Students can choose a particular U.S. President and write a biography.

3. Students can complete the U.S. President Scavenger Hunt activity.

4. Have students calculate the number of years between different U.S. Presidents.

Notes:

- Grover Cleveland was both the 22nd and 24th U.S. President. However, there is only one Portrait Card and Biographical Sketch Card for him.
- In January 2009, Clocca Concepts mailed out the 44th U.S. President informational cards to be used with Time Frame’s Presidents of the United States Card Set. Clocca Concepts will mail out new Presidential cards sets after the Presidents are sworn in to office. The next date is January 2013.
